

Focus on the Future: Workstations for Troy Teachers

Has your student worked hours on a school project or presentation, only to learn classroom technology won't support their work?

Troy Support Organization (TSO) and PTSA are working together to meet the changing needs of our school in the face of ongoing budget shortfalls. While TSO will continue to meet classroom needs, we are shifting our focus to a school-wide project of great priority.

Approximately 120 Troy teacher workstations need to be replaced to keep pace with, or in some cases catch up to, academic demands. The proposed upgrade project will be approached in phases, beginning with ten-year-old workstations in the Science Department. With an approximate cost of \$1,200 – \$1,500 per station, the total project budget will be almost \$150,000.

Overwhelming support from the Troy community has updated the computers in the Library and Computer Labs in record time. Troy students, faculty and staff continue to rely on your support and generosity. Your contributions to TSO make a direct impact in the classroom and they are fully tax-deductible. Mail donations to:

TSO, P.O. Box 7286, Fullerton, CA 92834-7286, or leave them in the school office clearly marked for TSO. Checks should be made payable to *Troy Support Organization (TSO)*.

Troy Tech Fair

The Troy Tech Fair is May 24, 2011. Please contact Dawn Hanson at dawnaprea@hotmail.com for volunteer opportunities. TSO provides several services, including dinner, for the hardworking Tech students. Find out how you can help.

Save the Date: Contributors' Reception

We have planned something special for our wonderful TSO donors. On May 24th, TSO will host our annual Contributors' Reception in the North Gym where we will be conducting private tours through the Troy Tech Fair student displays. Donors will have a chance to talk with students, view their exceptional work and experience firsthand one of the many reasons behind Troy's national reputation of academic excellence. By invitation only.
