

# COACH GARLAND Memorial Fund

**Coach Ron Garland** began his teaching career at Troy in 1965. During his 29 years of active service at Troy, he taught electronics, ROP, ICT (CLA) and algebra. He also coached track and football. Among his numerous accomplishments, he developed the curriculum for the Computer Logic and Algorithms class (CLA) and built most of the bread boards that are used today.

Coach Garland continued to impact and touch the lives of staff and students long after his retirement in 1994. Many remember his iconic gruff exterior as a substitute instructor. He became a fixture at Troy sporting events.

The Coach Garland Memorial Fund has been created in response to the outpouring of students and families who knew Coach and who want to remember him in a meaningful way. Donations to the fund will support the needs of the Computer Science department, as he was instrumental in the development of the CLA program.

Your donation is fully tax-deductible (Tax ID Number 41-2052114). Unless otherwise specified, your name will be published on a Tribute List on the Coach Garland Memorial Fund web page at [www.troyhigh.com/garlandmemorial](http://www.troyhigh.com/garlandmemorial).

Fill out the form and mail with payment to: **Troy Support Organization, P.O. Box 7286, Fullerton, CA 92834-7286**

**Questions? Contact Kate Spitzer at [tso@troyhigh.com](mailto:tso@troyhigh.com)**
